## Musical Recital Very Successful

A large audience listened appreciatively to the musical recital presented by Miss Delina Neubauer, pianist, and Miss Margarita Sawatzky, soprano, held here last Thursday evening. Miss Neubauer, lovely in pale green tulle floor-length gown and corsage of a single orchid, showed evidences of a keen appreciation of the masters in piano. Her technique was smooth and accurate and everyone listening to her must have been aware of her skill as a musician when they understand that she has taken piano for only three years.

Her selections required a keen memory and she is to be commended most highly for her interpretation and platform manner.

Miss Sawatzky, who gave her recital last year, did not disappoint the audience in her splendid performance. She looked lovely in her dark green velvet floor-length gown, enhanced by a lovely gardenia corsage. Miss Sawatzky enters keenly into the feeling of her selections and when she sang two numbers from German Lieder those who did not know the language could feel the spirit of the songs as she endeavored to interpret Schubert, one of her favorite composers. Her closing selections brought out the rich tones of her voice and emphasized the possibilities of her voice as she studied further in her chosen field.

During the course of the evening, the ushers, Mr. Gordon Habermehl and Mr. Denis Gabert, presented the artists with lovely bouquets of roses, carnations and snap dragons. Mr. Wiggins, took pictures of the young ladies in their musical setting on the stage.

We who have followed the Didsbury high school hockey team this season were indeed thrilled to see the team come through and win the trophy on Friday night. Two boys, Howard Robertson and Leslie Goetjen from this district, are members of the team. Mr. Cecil Papke, the coach, and Mr. Tom Morris and Mr. Harold Oke, are to be commended on the fine team spirit they worked into this youthful hockey club.

Word has been received here of the transfer of Mr. Don Fulkman to Moose Jaw, Sask. where he will be assistant manager for the chain store company by whom he has been employed for the past few years.

According to word received here, Mr. and Mrs. Ernie Tucker (Jean Dageford) have arrived at their destination in the United States.

On Friday Didsbury Beavers, for the second time in three years, became Rosebud League cup winners, when they handed a smart-playing team from Crossfield a narrow 3-2 defeat.

Oke tallied the only goal of the first period on a pass from McCoy. Crossfield tied the game in the second and took the lead in the third, only to have Frances tie the contest on a pass from Neufeld. Shortly after Oke scored the winner on a break-away pass from McCoy.

At the end of the game Cecil Papke, Beavers' coach, received a gift from the team and Bill Frances, team captain, was presented with the Ladies' Sports Club trophy, which shows the interest taken by this group in promoting sport. Mr. Bowman, Carstairs, president of the league, presented the team captain with the league trophy.

Thus the Beavers ended a very successful season and Cecil Papke, Mr. Morris and Mr. Oke are to be congratulated on the way in which they coached and managed the team throughout the season.

## NOTES FROM D.A.

By Hugh McPhail

## RABIES

All dogs in the province must now  
be tied up. The reason for this  
is the spread of a few cases of  
rabies to the southern part of the  
province.

Vaccine to vaccinate dogs has not  
been available, but Dr. Hantley  
informed me that it should be  
available soon. You will have to  
call on your local veterinarian to  
get the job done. It is better to  
have your dog given a second or  
booster vaccination. This will not  
cost much extra. Vaccination is  
good for your dog.

When rabies attacks the wild life  
as it has in Alberta it is very diffi-  
cult to eradicate. It seems likely  
they will be with us for a long  
time. I have a supply of excellent  
booklets on rabies in my office.

GOOD PRICES REALIZED  
AT BULL SALE OPENING

Calgary spring livestock shows  
and sales had a good start Friday  
at the Stampede Grounds.

Officials of the Alberta Cattle  
Breeders' Assoc. which sponsors  
the week's series, declared  
that prices realized in the sale ring  
gave reason for congratulation.  
The sale was extremely success-  
ful in view of the present market  
conditions.

Show championship was won by  
Richard Second (20) Winterburn  
with an entry by R. Y. Second and  
Son. The prize steer— which also  
won the fat stock classes— was a  
1,010 lbs. weight for 75 cents a

Junior champion was 11-year-old  
Allen Hughes, Canyon Ranch, High  
River, with his Hereford bull calf  
which sold at \$1,271 1/2 a pound to  
Burns & Co. It weighed 680 lbs.  
and Allen won the D. E. Slack  
Challenge Shield for the baby beef  
competition.

Reserve championship in the  
baby beef class was won by  
Jack Yorgason, Claresholm, whose  
Aberdeen Angus calf sold at 75  
cents a pound to the York Coffee  
Shop.

Safeway Ltd. purchased the re-  
serve winner of the fatstock com-  
petition at 30 cents a pound. It  
was shown by Gordon W. Johnson,  
Eagle Hill, at 1,140 pounds.

Highlight of the sale was a steer  
given by young Garry Hanson,  
Calgary, for the benefit of the Red  
Cross Crippled Children's Hospital,  
where he was formerly a patient.  
It realized \$1,200 a pound and was  
bought by T. Eaton Co.

### Through The Study Window

Rev. C. C. Armstrong

Through the instrumentality of the National Film Board some of us amateurs have been provided with film, screen and projector. At first using this equipment left me in a state of nervous prostration, as anything more complicated than a Brownie camera is getting beyond my mechanical skill. After I learned the Scotch tape could splice film (temporary) I proceeded with greater confidence and with more time to enjoy the films themselves.

One of the latest is entitled "Island of Faith" and tells of the Dutch rebuilding their homes after the war. It is a heart-warming account of the courage, work and faith of a people who have claimed the reclaimed land from the sea. Now, after the worst storms in centuries, they must again rebuild.

Modern scientific methods, machinery and technical knowledge need to be supplemented with courage and faith.

Even more impressive than the machinery being used is the sight of the faces of the people, for they are marked not only with hard work, poverty and disappointment but with enduring marks of character and the will to carry on. Any help we can give these people is certainly very much in order.

From Angola, in Africa, comes word of the wonderful difference made by the Big Red Ox, which is the Africans' name for the powerful red tractor sent to them last year, and provided by generous Christian people in south and central Alberta. The letter of thanks from the Ovimbundu people states, "Words do not suffice to tell you of the thanks that we feel in our hearts for this gift of love that you have given us. These things are miracles to us. Last year our people were working with their little hoes, were able to work only about three acres of land. Today the Big Red Ox is preparing for us 60 acres of new fields for next year's crops. The work that takes more than one year to do with our little hoes, that Big Red Ox does in just one day."

"The all soya beans that are growing in these fields today tell us of God's loving care for us. He has not forgotten us in our need. There won't be hungry people in the Hope leprosarium this year. There won't be hungry people at our Dondi hospital. There will be good food for hungry babies. There is joy in our hearts and hope for our children. Farming is our life, and it is also the life of our church. And now we ask God in prayer that He may send to you the gift of His love for all you have done for us."

### Local Scouts In Ice Stampede

On March 14 the Second Didsbury Troop Boy Scouts joined with other 650 boys to compete in the Annual Boy Scouts' Ice Stampede. The Stampede was sponsored by the Cosmopolitan Club of Calgary, the proceeds going to the Scout movement.

This year again there was a sell-out crowd in the Corral with about 10,000 people present. Of course the local Scouts quickly realized the competition would be keen among the twenty-seven Scout Troops, and being it was their first attempt at any such contest they wondered if they could make even a respectable showing. When all was over, however, they had proved themselves good publicity for their home town.

Only the fastest four teams were allowed to enter the final run. The Second Didsbury found themselves the fastest team in the preliminary heats until the very last race. Their time for around the barrels and twice around the Corral ice was 54 seconds. In the final, amid a great deal of excitement and no small applause for Didsbury they came third. They drew the unenviable number one position, had a little accident of an upset "wagon" through a collision, but did manage to make the third place.

We wish them better luck next year.

### NEW DAYS FOR PROSPECTORS

Geophysical exploration for uranium may be all the rage. But a well known geologist says that any idea that there's no need for prospectors any longer "cannot be farther from the truth in uranium prospecting."

## WEDDINGS

JONES -- EBY

A very pretty wedding service was held in the United Missionary Church, Didsbury, at 7:30 p.m. of March 14 when Miss Marjorie Eby, daughter of Mr. Sam Eby of Didsbury, and Mr. Ray Jones of Manning, exchanged vows. Rev. Gordon Dedes of Redwater performed the ceremony, assisted by the bride's brother, Rev. Arthur Eby. The bride was attended by her father. The bride looked lovely in a floor-length gown of slipper satin and brocade, with floor-length veil. She carried a white Bible covered with a corsage of Talamon Rose. Her only attendant, Miss Anna Klassen of Edmonton, was gown in pink brocade and carried a nosegay of spring flowers.

Preceding the processional came the candle lighters, Miss Helen Swain and Mrs. Gordon Dedes, in long pink gowns and corsages to match. The little Misses Jean and Joan Schwab, nieces of the groom, in four gowns of blue taffeta and carrying crocheted baskets filled with rose petals, looked charming as they came down the aisle scattering the rose leaves.

The groom's only attendant was Mr. Tom Robinson of Merid, Sask. The ushers were Mr. Ward Eby, brother of the bride, and Mr. Felix Schwab, brother-in-law of the groom.

### Agricultural Service Board Notes

By W. K. Snyder, Field Supervisor

M. C. P., the new herbicide has been used for several years in Europe rather than 2,4-D as it was found on the continent to be somewhat less toxic to crops than was the ester of 2,4-D. While it may be less effective on some weeds, its greater tolerance to desirable vegetation places it in a class where it can be used with greater safety on such crops as oats, flax, alfalfa and clover (except sweet clover). The manufacturer's recommendation is:

Formulation Susceptible Intermediate Top Growth Control  
Wheat, barley, esmer 3 to 6 3 to 8 ounces 6 to 10 oz.  
Oats, rye, corn 4 to 6 3 to 10 ounces 6 to 12 oz.  
Flax, ester or amine 3 to 6 4 to 8 ounces 4 to 8 oz.  
Alfalfa, clover, sodium salt 2 to 4 ounces  
Where the chemical is applied as a dust carrier it is generally advisable to use up to one-third more acid per

### "VOICES OF THE PASSION"

"Voices of the Passion," a series of fifteen messages by the Rev. Armin C. Olsen, Lutheran Hour speaker, and Dr. O. P. Kretzmann, president of Valparaiso University, will be adapted for performance on the Canadian Broadcasting Commission's Trans-Canada network. The series of five half-hour presentations will be narrated in a special Holy Week program from March 30 to April 3. The addresses were written for delivery in the first person and feature outlines of the lives and activities of the major characters in the Passion story.

The program will be prepared for broadcasting by Gordon Myers with the assistance of the Rev. George W. Bornemann, pastor of St. John's Lutheran Church, Toronto. The network program will originate in Toronto.

Miss Gladys Eby, aunt of the bride, played the wedding music. Mrs. Lydia Suder sang "O Perfect Love" before the ceremony, and Mr. and Mrs. Arthur Eby sang "The Wedding Prayer" during the signing of the register.

A wedding reception was held in the dining room of the College, where 125 guests sat down to luncheon. During the luncheon hour Rev. Donald Taylor presided as toastmaster. A number of interesting musical selections were enjoyed by the guests.

The happy couple left for a brief honeymoon in Calgary, after which they will take up residence near Marengo, Sask.

Features agents have told me that M.C.P. has showed up very well in the control of Hemp Nettle, one of our troublesome weeds. If this claim can be proven to correspond to fact, it will indeed be a boon to many farmers who are well nigh "stumped" at being able to control Hemp Nettle by cultural methods. M.C.P. will be available in three formulations: ester, amine and sodium salt. Following is a chart on recommended application rates for M.C.P.:

Annual Weeds Perennial Weeds  
Susceptible Intermediate Top Growth Control  
Wheat, barley, esmer 3 to 6 3 to 8 ounces 6 to 10 oz.  
Oats, rye, corn 4 to 6 3 to 10 ounces 6 to 12 oz.  
Flax, ester or amine 3 to 6 4 to 8 ounces 4 to 8 oz.  
Alfalfa, clover, sodium salt 2 to 4 ounces

Where the chemical is applied as a dust carrier it is generally advisable to use up to one-third more acid per

Wright-Schneidmiller  
Nuptials Held Recently

At a double-ring ceremony recently performed before an altar banked with tulips at the Redeemer Lutheran Church, Rev. E. B. Fox read the lines that united in marriage, Clara, youngest daughter of Mr. and Mrs. Schneidmiller of Didsbury, and Mr. Everett Clifford Wright, son of Mr. and Mrs. L. G. Wright of Hartmann.

Given in marriage by her father, the bride wore a period gown of white lace and net over taffeta. Her bridal veil of silk illusion net misted from a headress fashioned after the Queen Elizabeth mode and which cascaded to a long train. She carried a beautiful bouquet of American Beauty Roses and wore a rhinestone necklace and earrings, gift of the groom.

The bride's four attendants were dressed in floor-length gowns; as matron of honor, Mrs. Garfield Wright chose mauve net over taffeta; the two bridesmaids, Miss Patricia Wright, sister of the groom, and Miss Dorothy Smallwood, wore yellow net over taffeta and green net over taffeta, respectively. All sent their bride attendants wore short veils and long lace gloves and carried Ko Ko Mo carnations, and each wore the bride's gift of jewellery to complete their costumes.

Little Linda Reinhart acted as flower girl and was dressed in a floor length gown of pink net over taffeta with blue sash and lace gloves in pink, and carried a nosegay of carnations.

Supporting the groom was Mr. Wilfred Schneidmiller, brother of the bride, and the two ushers were the groom's brothers, Mr. Garfield Wright and Mr. Victor Johnson.

During the signing of the wedding, the soloist, Mrs. Herbert Goetjen, sang "The Wedding Prayer." Mrs. E. B. Fox supplied the nuptial music.

The wedding reception followed in the church basement, where the rooms and tables were beautifully decorated in pink and white streamers and bells and tulips arranged to form centrepieces for each guest table. The bride's table was centred with a three-tiered wedding cake encircled with tulip buds.

More than 80 guests sat down to the dinner, at which Rev. E. B. Fox acted as master of ceremonies and also proposed the toast to the bride, to which the groom responded. Mrs. Goetjen sang "I'll Walk Beside You" and "Bless This House."

Later the same evening a wedding dance was held in the Hartmann hall. When the happy young couple departed for a honeymoon in Great Falls, Montana, the bride donned a grey tailored suit with red accessories and a corsage of red roses.

On their return they will reside in the Hartmann district. Out-of-town guests at the wedding included Mrs. R. Johnson, Suffield; Mr. and Mrs. C. Schneidmiller, Mr. and Mrs. D. Schneidmiller, Mrs. A. Schneidmiller and son Phillip, Mrs. Emma Benner, Miss Esther Schneidmiller, Miss Lenora Stadnicki, Miss Josie Masline, all of Calgary and Miss Norma Herman of Lloydminster.

We wonder how much finer you can get than the aluminum wire used in delicate apparatus which records the earth's tremors. Drawn out almost to the vanishing point, it is about one-twelfth the diameter of a human hair. One pound of aluminum would make enough of this unbelievably fine wire to stretch 20,000 miles!

We know no more striking example of the way people make use of the lightness and strength of aluminum for all sorts of jobs. Our research and technical men are constantly tackling new questions brought to them by Canadian manufacturers who look to aluminum in developing new products, or better products, or products that cost less. **"ELKTON BONSPIEL A REAL SUCCESS"**

Four local links entered the Elkton bonspiel (names not available) and each took a real triumph in the first event, but fared better in the consolation. The Elkton Club are good sports and made the visitors very welcome. Arnold Hood handled the draw to the satisfaction of all. The tie was hard but rather crusted, but fair to both sides. The Elkton club was well represented by Skips Glen Evans, Pat Drummond, A. Cowie, Harold Russell, Bill Smith, Lawrence Krebs, and Bill Money, and it was nice to see Reinhold Befus with his son Kim and daughter Vera on his rink, along with Mrs. Harold Erickson. They are known as the "Curling Befus Family." It was a good spiel Elkton and the best of luck for more of them. The coffee and pie was extra good.

(From Our Own Correspondent)

The Jones-Eby wedding reception was held in the College dining room Saturday evening, March 14. Mrs. Ray Jones was the former Marjorie Eby who not only is a graduate of the College but served in the capacity of dietician for one year. The many guests enjoyed the delicious repast, and the happy couple received the best wishes of those present.

Missionaries have again been guest speakers in the chapel in the College. Rev. and Mrs. Stadie of Northern Nigeria, Africa were guests here on Monday of this past week. They are friends of Miss Rita Sawatzky.

The College and Radio Board are securing a tape recorder for the Good News Broadcast that you hear each Sunday at 7:15 a.m. This promises to be a splendid purchase and is largely the gift of two individuals, one who has established a trust fund for that purpose, and the other half of the cost is a memorial for a sister of one of the board members. We appreciate the interest of these friends greatly. Please listen to the programs and let us know your reaction to this addition of equipment which will mean better and better programs.

Mrs. Archer, Dean of Women, was honored at a birthday supper this last week. She was greatly surprised by students and faculty and graciously acknowledged the good wishes of those whom she serves so efficiently.

**Closing Events**

Stud. nt. music recital, Tuesday, April 7 at 8 p.m.

Speech recital, Thursday, April 9 at 8 p.m. under the direction of Mr. Peter Waldin, instructor in speech.

Artists recital, Tuesday, April 14 at 8 p.m. G. Lyle Richardson, voice. Mrs. Cameron Kirk, piano.

All of these events will take place in the United Missionary Church auditorium. Commencement programs will be presented a little later.

**Zella W.I. Holds Regular Meeting**

Mrs. E. Lowrie was hostess for the March meeting of the Zella W.I. with 15 members and four visitors present. Mrs. Ronnie Toppin was welcomed as a new member.

Mrs. H. Christensen, as vice-president, occupied the chair and the meeting opened with the singing of Irish songs.

Roll call was a plate of cookies. Two visitors, Mrs. Henry Luft and Mrs. Earl Braun judged these, with the following results: 1. Mrs. John Hansen; 2. Mrs. Bill Broadhurst; 3. Mrs. H. Christensen; 4. Mrs. E. Waldroff.

Mrs. H. Christensen and Mrs. A. Waldroff were elected to attend the biennial convention of the Alberta Women's Institute to be held in Edmonton in May.

Due to members moving away, Mrs. A. Waldroff will fill a vacancy on the sick committee and Mrs. V. Jahneke will replace Mrs. V. Snyder as home economics convener.

All recipes are requested to be turned in for the completion of the cook book. Mrs. C. Gibbs chose "The Life of Emily Carr as her education topic.

Mrs. Wilfred Spooner related some "Tall Tales" as her bit of fun. The lucky number draw gave Mrs. Gibbs the door prize.

Mrs. H. Christensen is hostess for April and the roll call is a pot holder set.
